

POPCORN 2009

HERE IS A WAY TO MAKE YOUR T55 SCOUT ACCOUNT EXPAND LIKE A BAG OF TRAIL'S END MICROWAVE POPCORN!

This year, we will continue to run our Troop 55 Fall popcorn fundraiser like we did last year. Face it- we are all overwhelmed by the blizzard of offers that hit us at the beginning of the school year. Instead of Show and Sell (where we set up in front of stores), again we are doing Take Order sales only. It means less time invested for you and your scout. This is going to be the easiest money you ever made to fatten your scout account. Sell the products and earn 35% commission. For every \$10 you sell your scout account grows by \$3.50. Most of us have experience with Trail's End through scouting and know it is a great product. Last year we sold over \$5600 as a Troop- resulting in a profit of over \$2200! I want each family to set a goal of \$175 in sales. If we achieve an increase in sales over last year's we qualify for an additional 5% commission, which means YOU WILL GET A 5% BONUS.

IMPORTANT DATES

10/13- Popcorn payments and orders due to Kernel. If you have sold enough to earn a Trails End prize, please indicate your selection at that time on your order sheet. Make checks payable to Troop 55. I MUST HAVE FULL PAYMENT WHEN YOU TURN YOUR ORDER IN TO ME! THANK YOU!

11/7- 9AM to 12AM Pick up of product to fill your orders at Satenstein's house-824 Happy Creek Lane West Chester, PA 19380 610 696 3686

Carefully inspect all the handouts- there are some great deals and new products available this year. \$25 or \$40 sends popcorn to our service men and women- do not forget to offer that to everyone-especially those that say they don't eat/like popcorn. Let them know that over 7 million microwave pouches and 250,000 tins were distributed around the world to US soldiers and their families. Remember popcorn makes great gifts at the office, between family members, neighbors.

Fill in all 25 lines on your order form and you earn a ticket to a 76ers game this year! I have included a flier with the details in your popcorn packet. I am here to help you be successful with your sales efforts. Contact me for more details.

Make money all year by establishing your own on-line account at Trails end. Earn prizes-gift cards-scholarship money-24/7. There is a special flier for this included.

Remember-do not sell by yourself-bring a parent for safety sake!
